

Nicole's Christmas Concept Book

Nicole made this concept book / memory book with her Mom and Intervenor. It features the highlights of the Christmas season in their home. Each year they review it with Nicole at the beginning of the season to help her anticipate the fun and events coming up.

Page 1 - *Christmas is coming soon!*

Page 2 - *We listened to Christmas Music.* - Note how the Christmas theme is carried through with her tactile symbol for Christmas attached to her symbol for music.

Page 3 - Items from the experience were brought back and placed in the book.

Page 4 - Homemade decorations for the tree - a dried apple slice with cloves for added scent.

Page 5 - Another memory with the wrapping from a favourite gift as a souvenir.
